MFG HARDWARE WARRANTY – Austvision Export

Metropolitan Glass and Glazing Limited and its subsidiaries Metro GlassTech (MGT) & Metro Frameless Glass Systems (MFG), warrant that all Austvision Hardware supplied by MFG will be;

1. Fit for all purposes for which they are commonly supplied and
2. be acceptable in appearance and finish and
3. be safe and durable.

MFG warrant that **for a period of five (5) years** from the date of delivery, the Austvision hardware will not suffer from any manufacturing defects.

In the event that the above occurs, MFG will re-supply the defective hardware and the warranty period will extend to for a **further period of five (5) years from delivery**.

MFG advises that all its products carry a guarantee of acceptable quality and a guarantee that the goods correspond with MFG description of them, but MFG will not be liable under the guarantee of acceptable quality for any loss caused as a result of:

1. Any act of default or omission of, or any representation made by, any person other than employees or agents of MGT or MFG.
2. Goods which have not been properly handled, installed or maintained and used in good practice in accordance with relevant glazing Standards and/or MGT/MFG instructions.

MFG reserves the right to inspect in the field any hardware which is alleged to be defective and which is subject to a claim under this warranty.

July 2014
